Dear Caesar Rodney Families,

It has come to our attention that a member of the school community at Caesar Rodney School District has tested positive for the Coronavirus (COVID-19). Please be mindful that the school community was last together on March 13th. Due to privacy issues governed by law, the identity of the person infected cannot be revealed.

Should you or someone you know develop symptoms such as coughing, fever and shortness of breath, you should contact your primary healthcare provider or if you do not have a health care provider, please contact the Delaware Division of Public Health hotline at 1-866-408-1899.

Staff and families are advised to look for symptoms and contact your or your child's physician if anyone displays symptoms. If you are sick, the Division of Public Health (DPH) encourages you to stay home and limit contact with other individuals in your home.

Also, continue to follow life-saving health precautions which include:

- Washing hands frequently and effectively (i.e., use soap and water; rub hands under the water for at least 20 seconds). If soap and water are not available, use alcohol-based hand sanitizers.
- Avoiding touching your eyes, mouth, and nose.
- Keeping a safe distance from anyone who may be sick.
- Cleaning and disinfecting anything you touch frequently.
- Covering your cough or sneeze with a tissue; throwing the tissue in the trash immediately.
- Adults and children should stay home when sick.

Sincerely,

Dr. Kevin R. Fitzgerald
Superintendent
Caesar Rodney School District
